

ONOR System

Online Naloxone Ordering and Registration

1

Register online:

- Fill out the online registration form
- WDGPH will contact your agency to sign a Memorandum of Understanding (MOU)
- WDGPH will either approve your agency or work with you to determine next steps

2

Attend agency training:

- WDGPH will contact your agency to schedule a training session on naloxone distribution
- You will be asked to start thinking about your distribution start date and hours of operation, and provide this info when you place your first order (these details will be posted on the ministry website and can be updated if they change)

Place your first order:

- Once you have completed training, you may place your first order!
- Simply make your selections and confirm that your information is correct
- If you are a new distributor, you will also be asked to provide your distribution start date and hours of operation

Pickup your order:

- About 2 weeks after you place your order, you will receive an email to let you know that your order is ready to be picked up from WDGPH
- If your agency is not able to pickup your order, you may arrange a medical courier

5

Distribute naloxone to your clients:

- You are ready to start distributing naloxone, but be sure to report naloxone distribution every 2 weeks at this [link](#)

Keep track of expiry dates:

- Each naloxone box and refill has an expiry date
- Always check the expiry date before you distribute naloxone and keep track of the expiry dates of your stock
- Keep expiry dates in mind as you place future orders
- Take expired naloxone to your local pharmacy for disposal - if they don't accept it, bring it back to WDGPH

Continue distributing naloxone:

- Check your email for updates from onor@wdgpublichealth.ca
- Continue ordering naloxone as needed
- Remember to **report** distribution regularly!
